New Jersey Immunization Conference

Every Age & Stage Counts

Wednesday, November 30, 2016

Please join us for the New Jersey Immunization Conference at the Renaissance Woodbridge Hotel! Featured speakers include Retired Rear Admiral and Former Deputy Surgeon General, Dr. Boris Lushniak; Medical Director for the Center for Asian Health, Dr. Su Wang; and Pediatric Infectious Disease Specialist, Dr. Kristen Feemster. The New Jersey Department of Health Commissioner, Cathleen D. Bennett will provide the welcoming address. The conference will cover a range of topics including vaccine storage and handling, ethical issues surrounding vaccination requirements, prevention of perinatal hepatitis B, and effective strategies for promoting flu vaccination with hard-to-influence patients. Public health, nursing, and medical credits are available.

Attention all primary and back-up vaccine coordinators: You may satisfy the 2016 provider education requirement by attending the “Vaccine Storage & Handling” workshop during the conference.

For more information and to register, visit [New Jersey Immunization Conference 2016](#)

Primary audience: pediatricians, family physicians, school physicians, public health officials, school nurses, public health nurses, child care consultants, and other healthcare professionals.
