Understanding VFC Webinar

Effective July 2015, the New Jersey Vaccines for Children (VFC) Program is offering a new webinar called Understanding VFC. This webinar has been developed to provide further education to both VFC and 317 program providers. **Attending this webinar will count towards the annual educational requirement for VFC and 317 vaccine coordinators.** Annual education is a requirement for both the primary and backup vaccine coordinators for all enrolled offices.

The Understanding VFC webinar will be held at least twice each month and will cover the following topics:

- Vaccines for Children Program requirements
- VFC and 317 patient eligibility and documentation
- Vaccine Reimbursement
- Annual Re-enrollment
- Proper vaccine storage and handling
- Vaccine waste prevention methods
- Vaccine transport

NJIMODS Training

Effective July 2015, New Jersey Inventory Management, Order and Distribution System (NJIMODS) training has been modified to focus solely on the NJIMODS features. The training will continue to be available to both VFC and 317 program providers however **NJIMODS training will no longer count towards the annual educational requirement.**

NJIMODS training will be held twice a month and will cover the following topics:

- Online temperature logs
- Documenting wasted and expired vaccines
- Online inventory management
- Online vaccine ordering
